Manufacturer: Klemp

Referention number: 6080Z73D

Information:

Metal Plug. Aluminum cap used to plug the end of the tube. Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.
