Information:

The Vasco collection is most often chosen by our customers due to the exceptional thickness of individual strips. The Vasco series is a simple form that greatly facilitates interior arrangement. Lamellae fit most arrangements. The panels are available in three shades of wood. Due to the clear three-dimensional nature, they are very often mounted not only on the walls, but also on the ceiling, which perfectly delineates the zones in the room.

Scope of delivery includes: Set of wall panels + 1 pcs. right end strip + 1 pcs. left end strip
