Information:

The 50mm LED advertising light box is a modern solution that increases brand visibility with its intense backlighting and aesthetically pleasing appearance. Made from lightweight aluminium profiles, it is easy to install and move, making it ideal for offices, shops, trade fairs and other events. LED modules ensure even illumination of the graphic, while sublimation printing on polyester fabric guarantees vivid colours and sharp detail. The coffer is available in a variety of sizes and bespoke with a choice of RAL colours. We also carry out textile banner printing for the coffer in sizes specified by the customer.
