Price: **€9.52** gross

Manufacturer: Klemm

Referention number: 6080Z49D

Information:

Adjustable Swivel Tee. Always used in pairs to allow angle variation between 54 and 270 degrees. 608049B = 70° - 208° (min/max angle) 608049C = 71° - 217° (min/max angle) 608049D = 97° - 270° (min/max angle) 608049E = 54° - 215° (min/max angle) Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.
