Manufacturer: Klemp

Referention number: MD006

Information:

The MD006 skirting board is made from durable PolyForce material, resistant to scratches and moisture. Its profile allows for installation over existing baseboards without the need for removal. The surface is protected with a protective primer and is ready for painting with water-based paints. UV resistance prevents yellowing, ensuring a long-lasting white color. A premium version is available with a SupremeSatin finish. Designed for use in areas with elevated humidity, such as kitchens and bathrooms.
