Manufacturer: Klemp

Referention number: MD008

Information:

The MD008 skirting board features a classic profile with increased dimensions, made from moisture-resistant and UV radiation-resistant PolyForce material. Its optimal depth of 1.7 cm effectively covers expansion gaps. The ScratchShield® technology hardens the surface, enhancing resistance to scratches and mechanical damage. A special internal space allows for easy cable concealment. It can be used as a skirting board or as decorative door framing.
