Referention number: MD258

Information:

The MD258 skirting board is designed for an aesthetic finish where the wall meets the floor. Its high profile effectively conceals wires and installations. Made from PolyForce material, it is moisture-resistant, allowing for installation in areas exposed to water. The ScratchShield® technology provides maximum surface hardness, enhancing resistance to mechanical damage. With a compact depth of 1 cm, it fits perfectly against the wall. Installation is done using mounting glue.
