Price: **€30.00** gross

Manufacturer: Klemp

Referention number: QL019

Information:

The QL019 skirting board is designed for an aesthetically pleasing finish between the wall and the floor. It is waterproof and UV resistant — it won't yellow, warp, or swell, making it suitable for installation in high-humidity areas. The ScratchShield technology enhances its resistance to mechanical damage. Its design allows for the concealment of wires and integration with LED lighting. The LightGuard technology ensures even light distribution. The surface is factory-coated with a primer, making further painting easier.

Product features

Material	PolyForce
Length	200 cm
Width	8 cm
Collection	Listwy przypodłogowe
Depth	2,5 cm
