Price: **€13.00** gross

Manufacturer: Klemp

Referention number: QL021

Information:

Skirting board QL021 features a minimalist, square profile designed for an aesthetic finish between the wall and floor while concealing expansion gaps. Made from PolyForce material, it is resistant to moisture and mechanical damage. The ScratchShield® technology further hardens the surface, enhancing its durability. It offers the convenience of hiding wires and cables. It can be used independently or combined with the QL019 board to create an impressive LED backlighting effect. The skirting board is covered with a smooth, white finish that is resistant to yellowing from UV exposure.

Product features

Material	PolyForce
Length	200 cm
Width	2 cm
Collection	Listwy przypodłogowe
Depth	2,5 cm
