Manufacturer: Klemp

Referention number: QS003

Information:

The QS003 skirting board features a convex profile for a stylish finish at the junction of walls and floors. Made from PolyForce material, it is resistant to moisture, deformation, and UV rays—preventing yellowing or cracking from intense sunlight. The ScratchShield® technology enhances its resistance to scratches and minor mechanical damage. Available in a classic version with a smoothing backing and in the SupremeSatin variant with a satin finish. Installation requires no special tools and can be done using mounting adhesive.
