Price: **€25.00** gross

Manufacturer: Klemp

Referention number: QS009

Information:

The QS009 skirting board offers an elegant finish to the junction between the wall and the floor. The profile, standing at 10 cm in height with a subtle, stepped design, is perfect for high interiors. Made from PolyForce material, it is resistant to moisture and UV radiation, ensuring it won't yellow or lose its color. The ScratchShield technology enhances the surface, increasing scratch resistance. The mounting space allows for hiding cables. Available in a standard version with a paintable primer or in a premium version with a lacquered, satin finish. Installation is done using mounting adhesive.

Product features

Material	PolyForce
Length	200 cm
