Manufacturer: Klemp

Referention number: MD025P

Information:

Premium skirting board MD025P is made from durable PolyForce material that is highly resistant to moisture and UV radiation. It features a satin white finish that provides a smooth surface and an exclusive look. Its simple, geometric profile allows for installation in modern and loft-style interiors. Designed for direct mounting without the need for painting, it is affixed using recommended mounting adhesive. There is a dedicated space for LED strips, allowing it to be used as a ceiling, wall, or lighting skirting board.
