Referention number: MD258P

Information:

The Premium MD258P skirting board is designed for an elegant finish between the wall and the floor. The profile features a stepped embossing, making it suitable for both classic and modern interiors. Made from PolyForce material, it is resistant to moisture, UV rays, and minor mechanical damage. It does not warp or yellow and maintains its durability even in demanding conditions. The satin finish eliminates the need for additional painting. Installation is easy with construction adhesive, requiring no specialized tools.
