Manufacturer: Klemp

Referention number: MD356P

Information:

Premium skirting board MD356P is designed for the aesthetic finishing of the wall-to-floor connection. Its minimalist profile with a subtle groove complements both classic and modern interiors. Made from PolyForce material, it is resistant to moisture, UV radiation, and minor mechanical damage. The ScratchShield® technology enhances scratch resistance. The satin finish eliminates the need for painting. Installation does not require specialized tools—adhesive mounting is recommended.
