Information:

The Premium MD8300P skirting board is designed for a stylish finish at the junction of walls and floors. Its subtle, wave-like design complements both classic and modern interiors. Made from PolyForce material, it is resistant to moisture, UV radiation, and minor mechanical damage. The ScratchShield® technology further protects the surface from scratches. It can be used in residential, office, and commercial spaces, including bathrooms and kitchens. Installation is simple with mounting adhesive, requiring no specialized tools.
