Referention number: QL019P

Information:

The Premium skirting board QL019P is designed for an aesthetic finish where the wall meets the floor. Its minimalist profile makes it suitable for both modern and classic arrangements. Made from PolyForce material, it is resistant to moisture, UV radiation, and minor mechanical damage. It conceals wires, expansion joints, and panel connections effectively. Installation requires no specialized tools - it is recommended to use mounting adhesive for secure attachment. It is compatible with profile QL021, allowing for the creation of modern designs with backlighting.
