Price: **€60.00** gross

Manufacturer: Klemp

Referention number: MD359F

Information:

The flexible skirting board MD359F is designed for finishing interiors with non-standard shapes. The FLEX technology allows it to adapt to rounded surfaces and walls with significant differences in height in the skirting area. It is resistant to moisture, UV radiation, and minor mechanical damage, making it suitable for rooms with high humidity and heavily used spaces. Easy installation with recommended adhesive does not require specialized tools. The ability to paint with water-based paints after installation ensures it matches your interior décor.

Product features
