Price: **€94.00** gross

Manufacturer: Klemp

Referention number: MD009E

Information:

The MD009E door frame is made of PolyForce material, which is resistant to moisture and UV radiation. The ScratchShield® technology used enhances the hardness of the material by 40%, providing excellent resistance to scratches and impacts. With dimensions of 240 x 10 x 1.7 cm, it effectively protects walls and door frames in areas subject to heavy use. The surface is suitable for painting with water-based paints, allowing for color matching with your interior. This product is intended for indoor use, particularly in kitchens, bathrooms, and hallways.
