Price: **€86.00** gross

Manufacturer: Klemp

Referention number: MD258E

Information:

The MD258E door frame made from PolyForce material is highly resistant to deformation, yellowing, moisture, and UV radiation, making it suitable for use in both dry areas and spaces exposed to steam and sunlight. The ScratchShield® technology enhances the surface hardness, effectively protecting it from scratches and impacts. The design of the profile allows for the concealment of wires and installations, improving both aesthetics and safety in use. Compatible with the MD258 trim, they create a cohesive mounting solution designed for high-traffic residential spaces.
