Manufacturer: Klemp

Referention number: MD213

Information:

The MD213 ceiling strip features a gently recessed profile with decorative milling, designed for an aesthetically pleasing finish in interiors. Made from moisture-resistant and UV-resistant PolyForce polymer, it prevents warping, chipping, and yellowing. The LightGuard® technology eliminates the LED light bleed-through effect, ensuring even backlighting. It can be painted with water-based paints, allowing for easy coordination with your interior decor. Dimensions: length 200 cm, height 8.1 cm, depth 8.1 cm. Installation using mounting adhesive.
