Price: **€30.00** gross

Manufacturer: Klemp

Referention number: QL019

Information:

The QL019 ceiling strip is a decorative profile designed for interior finishing, resistant to moisture and UV radiation. Thanks to ScratchShield® technology, it offers enhanced resistance to scratches and mechanical damage. The design of the strip allows for the concealment of wires and the installation of LED tape, while LightGuard technology ensures even light distribution without unsightly shadows. It is covered with a primer, making it easy to paint and match to your interior decor.
