Price: **€61.00** gross

Manufacturer: Klemp

Referention number: QL027

Information:

The QL027 ceiling strip is a decorative ceiling profile with a convex shape and subtle milling, designed for use with LED lighting. Thanks to LightGuard® technology, light does not penetrate the surface, ensuring even diffusion. Made from PolyForce material, it is resistant to moisture, UV radiation, and minor mechanical damage. With dimensions of 200 x 11 x 11 cm, it can be used in rooms with standard ceiling heights without creating an optical illusion of diminished space. Coated with a primer layer, it can be painted with water-based paints. Installation is recommended with mounting adhesive.

Product features

Material	PolyForce
Length	200 cm
Width	11 cm
Collection	Listwy sufitowe
Depth	11 cm
Colour	White
Waterproof	Tak
UV Resistance	Tak
Finish	Matowe
