Referention number: MDA067

Information:

The MDA067 Ceiling Strip is designed for an elegant finish where the wall meets the ceiling. This profile features three-dimensional decorations inspired by columns, making it ideal for large rooms with high ceilings. Made from ProFoam material, it is lightweight and resistant to moisture and UV radiation. The design allows for the concealment of imperfections and hiding of wires. The surface is coated with a primer, making it ready for painting. Installation is done using adhesive, with no need for specialized tools.
