Manufacturer: Klemp

Referention number: MDA098

Information:

The ceiling strip MDA098 is a decorative profile inspired by baroque style, designed for an aesthetic finish between the wall and ceiling. Made from lightweight and durable ProFoam material, it is resistant to moisture and UV radiation. The height of the strip is 11.6 cm, allowing for the concealment of electrical wires. The surface is prepped for painting with water-based paints. Installation is quick and convenient, requiring no specialized tools - adhesive mounting is recommended.
