Referention number: MDA109

Information:

The MDA109 ceiling strip is an ornamental profile with increased dimensions, designed to elegantly conceal wiring and installations. The floral motifs add a sophisticated touch to both classic and eclectic interiors. Made from lightweight ProFoam material, it ensures precise detail reproduction and is resistant to moisture and UV radiation. It features a primer layer that enhances paint adhesion, making painting and customization easier. It can be used in residential spaces as well as commercial environments. Installation is done with mounting adhesive.
