Manufacturer: Klemp

Referention number: MDA113

Information:

The MDA113 ceiling strip is designed for an aesthetic finish at the junction of wall and ceiling. It features horizontal milling and a subtle floral motif. With its increased dimensions, it allows for the masking of surface imperfections and concealing of wires and cables. Made from lightweight ProFoam material, it is resistant to moisture, UV radiation, and deformation. It is suitable for installation in areas with high humidity.
