Referention number: MDB063

Information:

The MDB063 ceiling strip is designed for an elegant finish at the junction of the wall and ceiling. The profile features subtle grooves, making it suitable for both classic and modern decor styles. Made from ProFoam polyurethane, it is moisture-resistant and UV-resistant, ensuring it won't warp or change color. The construction allows for the concealment of wires and imperfections in the finish. The surface is primed to ensure good paint adhesion. Lightweight and easy to install, it is intended for application using mounting adhesive.
