Price: **€95.00** gross

Manufacturer: Klemp

Referention number: MDB101

Information:

The MDB101 ceiling strip is a minimalist profile designed with a subtle arch, intended for mounting LED lighting. The construction allows for the concealment of wires and light strips, resulting in an aesthetically pleasing finish and creating an effect of indirect light sources. Made from lightweight and durable ProFoam material, it is resistant to moisture and UV radiation. The surface is coated with a smoothing layer, ready to be painted with water-based paints in any color. To achieve a uniform lighting effect, the use of aluminum reflective tape is recommended.

Product features

Material	ProFoam
Length	200 cm
Width	14 cm
Collection	Listwy sufitowe
Depth	10,6 cm
Colour	White
Waterproof	Tak
UV Resistance	Tak
Finish	Matowe
