Information:

The MDB132 ceiling strip is a decorative profile that allows for an aesthetic finish at the junction of the wall and ceiling. Its design enables the concealment of wires and installations. Made from ProFoam material, it is resistant to moisture and UV radiation, making it suitable for use in bathrooms, laundry rooms, and hallways. Coated with a primer, it is ready to be painted with water-based paints. Lightweight and easy to install, it is recommended to secure it using mounting glue.
