Referention number: MDB136

Information:

The MDB136 ceiling strip is a symmetrical half-round profile made from lightweight and durable ProFoam material. Its subtle milling adds an elegant touch, while the dedicated space allows for the concealment of electrical installations and wires. Resistant to moisture and UV radiation, it does not deform or yellow, ensuring its aesthetic appeal lasts for many years. Easy installation using mounting adhesive guarantees a permanent and stable adherence to surfaces.
