Information:

Ceiling strip MDB140 is a profile with subtle reliefs on the upper and lower parts. Made from lightweight ProFoam material, it is moisture-resistant and UV-resistant, making it suitable for installation in kitchens, bathrooms, and hallways without the risk of deformation or yellowing. It is designed to conceal wires and cover old moldings without the need for dismantling. Dimensions: 200 cm (length), 15 cm (height), 16 cm (width). The surface is coated with a smoothing primer, ready for painting. Installation is done using mounting adhesive.
