Referention number: MDB162

Information:

The MDB162 ceiling strip is a decorative ceiling profile with a stepped design, intended for high rooms. Made from lightweight and durable ProFoam material, it is resistant to moisture and UV radiation, ensuring it will not deform or yellow over time. Suitable for use in kitchens and laundry rooms. The factory-applied primer allows for painting with any water-based paint. Installation is quick and hassle-free thanks to its low weight.
