Manufacturer: Klemp

Referention number: MDB214

Information:

The Flex MDB214 ceiling strip features a wavy profile, designed for an aesthetic finish in interiors. Made from lightweight and durable ProFoam material, it is resistant to moisture and UV radiation. With its larger dimensions, it effectively conceals wall irregularities, wallpaper imperfections, and allows for the covering of old strips without the need for dismantling. It comes with a primer layer, ready for painting. Installation is easy with mounting adhesive.
