Price: **€35.00** gross

Manufacturer: Klemp

Referention number: MD016

Information:

The MD016 wall strip is a 200 cm long triangular profile made of PolyForce material, resistant to moisture and UV radiation. The ScratchShield® technology provides enhanced durability against scratches and impacts. Designed for LED lighting installation, it features LightGuard technology that prevents light from penetrating through the material. The surface is factory-coated with a smoothing layer, allowing for easy painting. Suitable for use in various interiors, including kitchens and bathrooms.
