Price: **€32.00** gross

Manufacturer: Klemp

Referention number: MDD410

Information:

The MDD410 wall strip is made from lightweight and durable ProFoam material, resistant to moisture and UV radiation. It features a long profile with subtle grooves on both sides, designed for both classic and modern interiors. It can be used in areas with high humidity, such as kitchens and bathrooms. The smoothing coating and the applied primer enhance the adhesion of water-based paints. Installation is done using mounting glue. A Flex version is also available, allowing application on curved surfaces.

Product features

Material	ProFoam
