Information:

The MDC250-12 corner unit is a decorative finishing element designed for creating ornamental wall and ceiling frames. Designed specifically for the MDC250 molding, it features an arch-shaped design with ornate detailing. Made from lightweight PolyForce material, it is resistant to moisture and UV radiation, making it suitable for high-humidity areas such as kitchens and bathrooms. Its low weight facilitates easy installation, allowing for a durable and aesthetically pleasing interior finish. It can be used not only as a component of wall frames but also as a decorative trim for mirrors, paintings, or furniture.
