Price: **€16.00** gross

Manufacturer: Klemp

Referention number: MDC258-13

Information:

The MDC258-13 corner unit is a decorative element designed to be paired with the MDC258 trim, allowing you to create a cohesive wall frame. Made from PolyForce material, it boasts high resistance to moisture and UV radiation, making it ideal for areas exposed to water and intense sunlight. Coated with a smoothing primer, it facilitates painting and enhances color durability. The lightweight design of the MDC258-13 corner unit enables quick and intuitive installation using adhesive. With dimensions of 25.5 × 25.5 × 5.4 cm, it perfectly fits with the MDC258 trim, creating an aesthetically pleasing interior finish.
