Price: **€14.00** gross

Manufacturer: Klemp

Referention number: MDD308-12

Information:

The MDD308-12 corner unit is designed for decorative finishing of walls and ceilings. It features an arch-shaped profile with a central bulge and a single groove. Made from ProFoam material, it is resistant to moisture and UV radiation, making it suitable for installation in kitchens, bathrooms, and sunlit spaces. It does not swell or deform under the influence of moisture. Covered with a smoothing primer, it is ready for painting with water-based paints. This unit provides an aesthetic connection with the MDD308-12 molding, allowing for a cohesive design. Installation does not require specialized tools – adhesive mounting is recommended.
