Price: **€8.00** gross

Manufacturer: Klemp

Referention number: MDD325-12

Information:

The MDD325-12 corner unit is a decorative finishing element for wall frames, compatible with the MDD325 strip. Made from PolyForce material, it is lightweight, waterproof, and UV-resistant, making it suitable for use in both humid and sunlit environments. The primer coating facilitates painting. The option to use water-based paints allows you to match the corner unit to your interior color scheme or create a contrasting effect. Installation requires no specialized tools - mounting with construction adhesive is recommended.

Product features
