### Information:

The Rosette B3029 is designed for aesthetically finishing ceiling surfaces and concealing any imperfections around light fixtures. Made from moisture-resistant and impact-resistant polyurethane, it provides durability in rooms exposed to varying conditions. It has a diameter of 38 cm and a profile height of 4.5 cm. The central opening allows for easy routing of the lamp's wiring and can be effortlessly enlarged if necessary. Its white surface is ready to be painted, enabling you to customize the color to match your interior décor. Installation using mounting adhesive requires no specialized tools.
