Manufacturer: Klemp

Referention number: B3077

Information:

The Rosette B3077 is designed for ceiling installation and provides an aesthetic cover for chandelier mounting points while concealing imperfections in the junction areas. Made from durable polymer resistant to moisture, UV radiation, and minor mechanical damage, it is safe for use in environments with elevated humidity, such as kitchens, bathrooms, and utility spaces. With dimensions of 75.2 × 4 cm, the product can be painted with water-based paints, making it easy to match with any interior style. Installation does not require specialized tools - it is recommended to use adhesive suitable for decorative plaster materials.
