Price: **€171.00** gross

Manufacturer: Klemp

Referention number: C1001-1W

Information:

The C1001-1W column cap is designed for installation at the base of columns, serving as a durable finishing element inspired by antique design. Made from ProFoam material that is resistant to moisture, UV radiation, and minor mechanical damage, it does not deform or yellow over time. The primer coat allows for easy painting with water-based, solvent-free paints to match your interior's color scheme. Measuring 30 x 11.5 x 30 cm, it offers a stable form while maintaining aesthetic proportions. The installation is intuitive and can be done independently using the recommended mounting adhesive. This product is intended for both residential and commercial interiors.

Product features
