Price: **€293.00** gross

Manufacturer: Klemm

Referention number: C1002-2W

Information:

The C1002-2W column cap is a finishing element compatible with C4002W and C3002 columns, designed for installation at their top. Made from ProFoam material, it boasts high resistance to moisture, UV radiation, and minor mechanical damage. The product's surface is coated with a primer layer, allowing for painting with water-based paints. Its design features decorative relief, making it suitable for demanding classic and representative interiors. Installation is performed using the adhesive recommended by the manufacturer, without the need for specialized tools.

Product features
