Price: **€576.00** gross

Manufacturer: Klemp

Referention number: C3002W

Information:

The C3002W column, made from ProFoam material, is resistant to moisture, UV radiation, and minor mechanical damage, ensuring its durability in both residential and commercial spaces. Measuring 20 x 239.5 x 12.5 cm, it can be used as a decorative element in high rooms without overwhelming the space. The decorative surface features vertical grooves and rounded edges, reflecting classic architectural patterns. The product is coated with a primer that facilitates painting with water-based paints in any color. Installation is carried out using the recommended adhesive.
