Manufacturer: Klemp

Referention number: C1002-1H

Information:

The half-column cap C1002-1H is made of ProFoam material, resistant to moisture, UV radiation, and minor mechanical damage. It is designed for finishing half-columns mounted on bases. The design is inspired by classical ornamentation and includes a rich floral relief, allowing for integration into arrangements that follow an ancient convention. With dimensions of 36 x 12.5 x 18 cm, it harmoniously complements columns and wall decorative elements. Installation is possible using mounting adhesive, without the need for specialized tools.
