Price: **€73.00** gross

Manufacturer: Klemp

Referention number: C5002-4H

Information:

The Half Column Base C5002-4H is designed for installation with the half column and capital as part of a decorative interior moulding system. It is made from ProFoam – a lightweight polymer highly resistant to moisture, UV radiation, and minor mechanical damage. The surface features subtle grooves and rounded details. With dimensions of 31 x 16 x 15.5 cm, it allows for precise fitting in most interior design projects. Installation is quick and hassle-free, using construction adhesive for a durable connection with other decorative elements. It is intended for use in library, office, commercial, and public spaces.

Product features
