Price: **€286.00** gross

Manufacturer: Klemp

Referention number: C3001H

Information:

The Half Column C3001H is designed for creating decorative architectural elements within residential, office, and service environments. Made from lightweight and durable ProFoam material, it is resistant to moisture, UV radiation, and minor mechanical damage, allowing it to be used in challenging operating conditions without the risk of deformation or discoloration. The surface is coated with a primer suitable for painting with solvent-free paints. Installation is possible using adhesive, without the need for specialized tools. It is intended for installation with a base and a cap, together forming a decorative system that draws on classic forms.
