Price: **€307.00** gross

Manufacturer: Klemp

Referention number: C4002H

Information:

The C4002H half column is designed to be used as a decorative element in residential and commercial spaces. Made from ProFoam material, it is a lightweight substance resistant to moisture, UV radiation, and minor mechanical damage. Dimensions: 20 x 242.5 x 12.5 cm. The smooth surface without embellishments allows it to seamlessly blend into both classic and modern interiors. The product is coated with a primer layer, enabling it to be painted with solvent-free paints. Installation is done using recommended adhesive, and when combined with a compatible base and cap, it creates a cohesive decorative set.
