Information:

Pilaster D1523 – decorative molding for framing doors, windows, niches, and fireplaces. Made from a lightweight and moisture-resistant ProFoam material, it won't yellow, warp, or succumb to UV radiation and minor mechanical damage. The vertical grooves give it an elegant appearance and allow for easy integration into various interior designs. Installation is intuitive, requiring no specialized tools – just construction adhesive. It can also be painted with water-based paints.
