Price: **€103.00** gross

Manufacturer: Klemp

Referention number: D1541

Information:

Pilaster D1541 is a decorative molding element made from ProFoam, designed for enhancing interior finishes. Its structure features narrow, dense vertical strips, making it suitable for use as a trim for fireplaces, alcoves, doors, and windows. It is waterproof and UV resistant—won't yellow, swell, or warp. It is compatible with solvent-free paints for easy customization. Installation is made simple with recommended adhesive. Its lightweight design facilitates mounting.
